Learning Assistance Program (L.A.P) students from Melaleuca Park Primary school have been visiting St Mary's for the

past four years. It is a rewarding experience for the students and residents who happily work together on reading skills and a variety of crafts or simple cooking. Last week residents and students created beautiful origami flowers and animals. Celia was very pleased with her flowers and used them to decorate her bedroom door.

The playgroup from Montebello Community Kids visits St Mary's every Wednesday at 10.30am. It is a lively and entertaining time in Rosemary's Theatre as residents and children enjoy getting to know each other. The children enjoy singing songs that they have learned and participating in crafts with residents. There is always laughter and delight at the children's excitement, antics and conversations. One little girl shared that she wanted to be "a bug" when she grew up! As the children become familiar with residents they always enjoy blowing kisses and shaking hands as they say good-bye at the end of the visit.

Bobby Dazzler performed for an enthusiastic audience at St Mary's on Friday. Entertainer Mick O'Brian was formerly a music therapist in Adelaide and is keen to share his skills in rural areas. Mick is joined by his uncle Ron who is part of the show. Mick sings old time favourites, bringing memories flooding back. Mary Duggan recalled her mother singing some of the songs to her as a little girl and said "it was just wonderful". Mick involved the audience and had everyone singing along with gusto! At one stage he stopped singing and told everyone to continue. Afterwards Mick said it had sounded beautiful and St Mary's residents had the strongest voices so far on this tour. Mick also tells a good joke which had everyone all laughing and wanting more. Mick will be making a return visit on Melbourne Cup Day.
