About us

Boandik is a community based not-for-profit organisation providing quality care for the aged and people living with a disability throughout the Limestone Coast region.

We have been providing services to the aged since 1956 and have a strong commitment to engage with the community and ensure that the range and quantity of services meet the current and future needs of the region.

The extensive range of services means that we can adapt to the changing needs of our clients.

Providing quality aged care services across the Limestone Coast since 1956

Quality guaranteed

At Boandik we pride ourselves on providing high quality care and services to all clients. The focus is on meeting the needs of the individual, ensuring they have choice and control and that they are able to remain connected to the community.

Our staff are passionate about what we do and strive to assist people to live their lives as they choose.

They receive extensive training and support to enable them to

- Give people choices
- Respect people as individuals
- Treat people with dignity
- Value people's differences

Flexible care and services to maintain your chosen lifestyle

Range of services

We all value our independence and sometimes think that if we ask for help we are failing ourselves.

Seeking help can mean that we can live where and how we choose and have the energy to do the things we enjoy.

No matter what you need, we are sure we can be of assistance.

- Boandik Community Care provides tailored services for people living at home. Services are provided seven days per week throughout the Limestone Coast.
- Independent living units are situated at the Lake Terrace site in Mount Gambier and Sutton Court in Port MacDonnell. The units are designed for people to age in place.
- Our purpose built residential homes provide an attractive and comfortable environment. The homes are located in Mount Gambier and provide flexible options for permanent, respite and transition care.
- We are widely recognised for our expertise and excellence in caring for people living with memory loss and supporting their families.
