

Domestic Assistant - Community

- As each client's service needs differ, individualised support plans and task lists outline the specific tasks required by each client. Undertake all duties as outlined in task list and support plan.
- Document each visit in client's progress notes.
- Contact case manager with any concerns regarding client, environment and/or cleaning agents/equipment.
- Ensure that cleaning equipment is cleaned and replaced in correct storage location after use.
- Use RCD whenever using any electrical equipment.
- Respect clients' individuality, rights, privacy and freedom of choice.
- Maintain client confidentiality at all times.
- Perform all duties in line with the requirements and expectations of the position description.
- Use approved cleaning agents as outlined in policy folder.
- Maintain awareness of relevant SDS sheets.
